How personal information belonging to children, families and staff is collected, used, stored and protected.

Tiny Explorers is dedicated to protecting the privacy of every child, parent, guardian and staff member associated with our program. This policy sets out how personal information is handled with care and security.

01

Collection of Information

We collect information necessary to operate safely and effectively, including children's health and emergency contact details, enrollment and attendance records, parent and guardian contact details, and staff employment records — collected to provide appropriate care, manage enrollment, ensure safety, meet legal obligations, and communicate with families.

02

Use, Access & Accuracy

Personal information is used only for the purpose it was collected, and never repurposed without explicit consent. Access is restricted to authorised personnel who require it to perform their duties, all trained in confidentiality and data protection. Newsletter Sign-Up

What we collect: If you subscribe to Tiny Explorers updates using the newsletter form on our website, we collect only the email address you provide. We do not require or collect your name, phone number, or any other personal information to subscribe.

© 2026 Tiny Explorers Nursery & Preschool

Why we collect it: Your email address is used solely to send you Tiny Explorers newsletter content (open house dates, parenting essays, community updates) that you have opted in to receive.

Where it is stored: Subscription requests are stored securely in our database. Access is restricted to authorised Tiny Explorers staff and is never publicly viewable or searchable.

Google Workspace processing: To deliver the newsletter, approved subscriber email addresses are added to our internal "Tiny Explorers Newsletter" Google Group (newsletter@tinyexplorersbda.com), managed through Google Workspace. Google processes this data as our service provider, under Google Workspace's own data processing terms.

Withdrawing consent / unsubscribing: You may ask to be removed from the newsletter at any time by contacting us at hello@tinyexplorersbda.com. Once we process your request, your email address will be marked unsubscribed in our records and removed from the Google Group, and you will not receive further newsletter emails.

Retention: We retain newsletter subscription records for as long as you remain subscribed. If you unsubscribe, we retain a minimal record (email address and unsubscribed status) only as needed to ensure we do not re-add you in error; you may request full deletion of this record by contacting us.

No sale or public disclosure: We do not sell, rent, or publicly disclose newsletter subscriber email addresses, and we do not provide any way for one subscriber to view another subscriber's information.

06

Concerns & Review

Concerns about a breach of privacy or confidentiality should be reported to the School Director immediately and are investigated promptly, following our Complaint Policy where relevant. This policy is reviewed annually to ensure ongoing compliance with applicable law and best practice.
