

POLICY DOCUMENT

Open-Door Policy for Parents & Guardians

Our commitment to transparency, visitation and open communication between families and staff.

A strong partnership between staff and families is essential to every child's well-being and development. This Open-Door Policy sets out how we foster transparency, trust and open communication.

01

Access to the Classroom

Parents and guardians are welcome to visit classrooms at any time during regular school hours without prior notice, observing activities and interacting with staff. We also invite parents to participate in classroom activities, special events and celebrations — reading a story, assisting a craft, or sharing a talent.

02

Communication with Staff

Teachers and staff are always available to discuss a child's progress, address concerns, or answer questions. Formal meetings with a teacher or the School Director can also be scheduled for more in-depth discussion.

SAFETY & SECURITY

"All visitors must sign in and wear a visitor badge."

While our door is open, the safety of our children remains paramount — every visitor, including parents, signs in at the front desk on arrival.

Feedback & Confidentiality

We value parent feedback and may periodically conduct surveys to gather input on our programs. While visiting, we ask that parents respect the privacy of other children and families, and avoid discussing another child's progress or behaviour. Any concern about a child's experience should be raised directly and privately with the teacher or School Director.
